

AMENDMENTS

Amendments to the Drawings:

The attached twenty-seven (27) replacement sheets of drawings includes the following changes to the drawings as originally filed:

- All figures now include consecutive Arabic numbering, and the margins are within PCT guidelines with photocopy marks removed, and lines more clearly drawn;
- Fig. 4, element 104 and element 110 is drawn within the box for better clarity;
- Figs. 13 – 14, the graphic element at the top is drawn to more closer illustrate representative doors;
- Fig. 16, element 51 is merged with the element originally titled “MIDAS 1”; element 52 is merged with the element originally titled “MIDAS 2”; element 53 is merged with the element originally titled “MIDAS 3”;
- Fig. 17, the word “Interactive” is added to the element titled “IPOS Point of Sale” as indicated in the specification;
- Fig. 18 adds the word “Step” as indicated, to illustrate an algorithmic flow or process as described in the specification;
- Fig. 19 adds the word “Step” as indicated, to illustrate an algorithmic flow or process as described in the specification; also, with regard to Fig. 19, element 51 is merged with the element originally titled “MIDAS 1”; element 52 is merged with the element originally titled “MIDAS 2”; element 53 is merged with the element originally titled “MIDAS 3”;
- Fig. 20 adds the word “Step” as indicated, to illustrate an algorithmic flow or process as described in the specification;
- Fig. 21 adds the word “Step” as indicated, to illustrate an algorithmic flow or process as described in the specification; further, Fig. 21 adds “Step 21a” in the element titled “Incoming Order From Off-site and On-Site Sources” as indicated in the specification; the reference to “21a” as originally filed is removed; the element labeled as “21g” adds the words “Process other Transactions” as identified in the specification; the process steps “Steps 21i, 21j, 21k and 21l” are added to the element titled “Order Total”;
- Fig. 22: extraneous lines and circles are deleted; element 51 is merged with the element originally titled “MIDAS 1”; element 52 is merged with the element originally titled “MIDAS 2”; element 53 is merged with the element originally titled “MIDAS 3”; and

- Figs. 23 – 25: the text is oriented in the same orientation as the remainder of the text (i.e., landscape orientation).

These replacement sheets replaces the original sheets.

Attachment: Replacement Sheets as noted above

REMARKS

In light of the foregoing amendments, discussion and attached replacement sheets, the Applicant respectfully requests the Office to enter the drawing amendments as indicated in the submission of the formal drawings. No fees are believed necessary. The undersigned would welcome a phone call from the Office to expedite the resolution of this application.

Respectfully submitted,

Dated: October 21, 2005
